KNOW YOUR PARISH COUNCIL STAFF – THIS MONTH MEET CHLOE MABEY

Working in **Community Office** since 2016. I have been working for the Parish Council for nearly 2 years on a part time basis. There is never a dull moment and the variety of work always amazes me. I haven't lived in the village for very long but I am incredibly grateful to have such beautiful scenery, fantastic play areas and facilities such as the leisure centre all within walking distance. The Parish Council work hard to make Whitwick the best it can be, but there are always new ideas and initiatives being thought of. The Parish Council meetings are a great way to find out what's happening.

News from your Parish Council

**SNOW WARDENS –
 WHITWICK
 WORKING
 TOGETHER?**

You will remember that the bad weather in December caused some challenges for both motorists and pedestrians – our hills make Whitwick quite special! The Parish Council is not responsible for gritting roads but has been asked by residents to apply to Leicestershire County Council for permission to install some extra grit bins. There are a lot of regulations regarding this so it might not be straightforward. One idea we want to explore is to ask for voluntary Snow Wardens to help the community respond in an emergency situation. If you want to find out more please email the Parish Manager or speak to any parish councillor – absolutely no obligation.

**Benches in
 Whitwick**

One of the things that the Parish Council was asked to do for residents was to put some extra benches in Whitwick. The first one has been ordered to go near the bus stop on Hermitage Road, replacing an old one that was taken away a while ago more to follow.

Memorial Benches/Planted Baskets. Sometimes families like to make donations in memory of a loved one so if you would like details of the process please contact the Parish Manager. We may accept donations for a planted memorial basket if that is more appropriate for you.
